3 SuperStream

Under SuperStream (the Government's legislation for electronic superannuation payments), all employers must pay super contributions through a method that meets the SuperStream rules.

Employers can do this by using:

- Their own software solution that complies with SuperStream;
- A solution by an outsourced payroll or other service provider that complies with SuperStream; or
- A clearing house, such as the Small Business Superannuation Clearing House.

More information about SuperStream is available at ato.gov.au/super/superstream/.
